

FOREWARD

Kendriya Vidyalaya Sangathan, Chennai Region has been bestowed with the responsibility of compilation of Limited Study Material covering Higher Order Thinking Skills (HOTS) for all subjects of Class X. This Study Material of various subjects has been prepared by different Regions as per the details given below:

a. English	:	Hyderabad
b. Hindi	:	Lucknow
c. Maths	:	Chennai
d. Social Studies	:	Chandigarh
e. Science	:	Ahmedabad
d. Sanskrit	:	Guwahati

Since CBSE has introduced 20% of questions appearing in CBSE question papers of Board Examination to test HOTS in Class X & XII Board Examinations with effect from 2007-08, an attempt has been made by the concerned Regions to develop a limited study material covering HOTS in all the subjects. However, this present material pertains to Class X only. The type of questions covered in these subjects are only suggestive and made to improve analytical thinking. The teachers are requested to develop some more questions covering HOTS for further practice in the classroom.

At the end, I would like to place it on the record the sincere efforts put in by the teachers of the above Regions to make this humble beginning to develop HOTS related Study Material.

Dr. E. PRABHAKAR
ASSISTANT COMMISSIONER
KVS, CHENNAI REGION
